**Re: College Visit**

### **Five easy steps to your college visitation:**

- 1) arrange a date with college admissions either by phone or online;
- 2) have a parent sign a note with the date of the visit allowing you to go to the college **even if you are eighteen**;
- 3) take note to Ms. Holton in the Auxiliary Gym, to request college visit form. **This form needs to be approved and signed by ALL of your teachers.** With one teacher's refusal you will not be allowed to attend the college visit;
- 4) during your college visit have the college representative sign the college visit form;
- 5) return form the day after your visit to Ms. Holton in the Auxiliary Gym for an excused absence

**JUNIORS & SENIORS ARE ALLOWED TWO EXCUSED COLLEGE VISITS**
